...and they make sure I'm always part of the fun!

But I can't ever go to cool places with them. Sigh.

That's 'cause being in the car makes me feel all kinds of AWFUL.

So mom took me to Dr. Sharon, our vet.  
She gave us CERENIA Tablets, a medicine  
to help keep me from vomiting  
because of motion sickness.

Now, with CERENIA Tablets on our trips, I don't  
throw up because I'm not car sick anymore.  
Now, we can go everywhere...TOGETHER!!!

I can travel all around town with my family!

...or to the lake...

Out to the park...

...even to visit Cousin Brian!

It's a big, awesome world out there...
